An Illustrated Guide To Iowa Prairie Plants

Paul Christiansen Mark Muller

An illustrated guide to Iowa prairie plants, Paul Christiansen and Mark Muller. This book is a comprehensive guide to the prairie plants native to Iowa, providing all the information necessary for identifying and distinguishing even the most similar species. The book covers a wide range of prairie plants, from flowering plants to grasses, and includes detailed descriptions, illustrations, and maps. This guide is an essential resource for anyone interested in the flora of Iowa's prairies.
