Before commenting upon the works of Albert Camus, I should first make a rather bold statement: I consider him to be an existential writer. More accurately, I consider him to be an existentialist. More specifically, I consider him to be an existentialist within the context of his work on the absurd. Why is Albert Camus Still a Stranger in His Native Algeria?

Camus, a Romance

Elizabeth Hawes

*FREE* shipping on qualifying offers. Albert Camus is best known for his contribution to existentialism, a philosophy that emphasizes personal freedom, choice, and the search for meaning and truth in a universe that is often perceived as absurd or indifferent.

Alfred A. Knopf published an Americanized version of Camus's novel, 'La Strangere', in 1947. However, the novel was not well-received in the United States and was only later reissued in a more accurate translation.

Camus, a simple MapReduce job developed by LinkedIn to load data from Kafka into HDFS. It is capable of incrementally copying data from Kafka into HDFS.

Home Camus Hydronics Ltd.
The only real question of philosophy is whether or not we should commit suicide, said Albert Camus.

Why the demand for happiness and the patient quest for it isn't a luxury or a mere need but our existential duty.
