Greek Vases in the J. Paul Getty Museum, Volume 2, OPA 3
This is the sixth in a series of books that document the vast collection of Greek vases in the Getty Museum. In this volume are eight essays—in English, German, and Greek—covering a range of topics, including:

- The Colors of Clay: Special Techniques in Athenian Vases
- Greek Vases in the J. Paul Getty Museum

In 1983 the J. Paul Getty Museum acquired fragments of a large Attic red-figure kylix that had been Greek Vases in the J. Paul Getty Museum: Volume 6 OPA 9. Getty

Greek vases with stories to tell, ancient glass and carved marble, Roman silver and exotic gems—explore the artistry and history of precious antiquities.
