Clinton Hill Home Designed for an Artist: $8.5 Million - The New Feb 25, 2011. Being a self-employed artist means that I spend 90% of life in my studio, and most of the time I'm very happy about that. However, lately I've been feeling quite challenged by what it means to be an artist in the current climate.

Today, I planned to run and then paint outside. It's raining! Time to make a change.
