

Progress In Plant Cellular And Molecular Biology: Proceedings Of The VIIth International Congress On Plant Tissue And Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990

International Congress on Plant Tissue and Cell Culture H. J. J Nijkamp L. H. W. van der Plas J. van Aartrijk

Progress in Plant Cellular and Molecular Biology: Proceedings of. Progress in Plant Cellular and Molecular Biology - Proceedings HJ. Progress in plant cellular and molecular biology. Proceedings of the Progress in Plant Cellular and Molecular Biology - Weizmann. This involved the molecular characterization of the autonomous maize. Drought stress systems biology using the plant models Arabidopsis and rice: 1999: 'Excellent Scientist' Award from the Dutch Ministry of Agriculture and.. VII International Congress on Plant Tissue and Cell Culture, June 24-29, 1990, Amsterdam. Biotechnology in forest tree improvement with special references to. Jun 29, 1990. International Congress on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June, 1990', Sort by: Progress in plant cellular and molecular biology by H J J VAN DER PLAS L H biology: Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, Progress in Plant Cellular and Molecular Biology: Proceedings of. Jun 29, 1990. Proceedings of the VIIth international congress on plant tissue and cell culture, Amsterdam, Netherlands, 24-29 June 1990. Back ? Abstract Progress in Plant Cellular and Molecular Biology: Proceedings of. - Google Books Result Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 / . . and Molecular Biology. Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990 Andy Pereira, Crop, Soil, and Environmental Sciences, Dale. Progress in Plant Cellular and Molecular Biology Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 /. Saved in: Progress in Plant Cellular and Molecular Biology: Proceedings of. . and Molecular Biology. Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990. Progress in Plant Cellular and Molecular Biology: Proceedings of. Proceedings of the 7th International Protoplast Symposium, Wageningen,. Proceedings of the 14th international conference on plant growth substances, Progress in plant cellular and molecular biology: proceedings of the VIIth congress on plant tissue and cell culture, Amsterdam, The Netherlands, 24-29 June 1990. Progress in Plant Cellular and Molecular Biology, HJJ Nijkamp. Author: International Congress on Plant Tissue and Cell Culture 7th: 1990. on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990. in vitro Culture of Plant Material - CAB Direct By: International Congress on Plant Tissue and Cell Culture. Progress in plant cellular and molecular biology: proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 Progress in plant cellular and molecular biology: proceedings of the VIIth. on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990. Meeting: International Congress on Plant Tissue and Cell Culture 7th: 1990 Progress in Plant Cellular and Molecular Biology - Springer Proceedings of the 7th International Protoplast Symposium, Wageningen, the. The Plants Regenerated from Protoplasts of Suspension Cells of Rice *Oryza sativa* L Progress in Plant Cellular and Molecular Biology Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990. Holdings: Progress in Plant Cellular and Molecular Biology Jun 29, 1990. Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth Cell Culture, Amsterdam, the Netherlands, 24 29 June 1990 has 1 available by International Congress on Plant Tissue and Cell Culture 8th 1990, H J Proceedings of the VIIth International Congress on Plant Tissue and Cell ?- Library Database Sep 21, 2015. biology - Proceedings of the VIIth International Congress on plant tissue and cell culture, Amsterdam, The Netherlands, 24-29 June 1990 J., ed. Progress in plant cellular and molecular biology - Proceedings of the VIIth Source: Current plant science and biotechnology in agriculture, V.9 xiii, 810 p. Catalog Record: Progress in plant cellular and molecular biology . and Molecular Biology. Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990. Progress in plant cellular and molecular biology: proceedings of the. Jun 29, 1990. Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24 29 June 1990 English - Buy Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth International Congress on Plant Progress in plant cellular and molecular biology: proceedings of the. Sep 11, 2008. Regeneration of adult conifer trees by means of in vitro culture has been the. Springer, Dordrecht, the Netherlands. pp. Progress in plant cellular and molecular biology. In Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, 24-29 June 1990, Amsterdam, the Netherlands. Progress in plant cellular and molecular biology: proceedings of the. ?Title: Progress in plant cellular and molecular biology: proceedings of the VIIth. Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990 Conference Title: Progress in plant cellular and molecular biology. Proceedings of the VIIth International congress on plant tissue and cell culture, on plant tissue and cell culture, Amsterdam, Netherlands, 24-29 June 1990. 1990 pp. 631-639 Progress in plant cellular and molecular biology - MALCat Search. . and Molecular Biology.

Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24–29 June 1990 In vitro regeneration of Pinus pinaster adult trees - Canadian Journal. Author: International Congress on Plant Tissue and Cell Culture 7th: 1990. on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 Progress in Plant Protoplast Research - 978-94-010-7754-5: MANZ . cellular and molecular biology. Proc. of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24–29 June 1990. Progress in Plant Cellular and Molecular Biology: Proceedings of. Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990 Author: H.J.J. Nijkamp published on August, 1990: Amazon.es: Progress in Plant Cellular and Molecular Biology: Proceedings of. Progress in plant cellular and molecular biology: proceedings of the VIIth. Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 /. Other Authors: International Congress on Plant Tissue and Cell Culture, Nijkamp, H. J. J.. Bioconversion of xenobiotics pesticides in plant cell cultures. - CAB Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990 Current Plant Science and . Progress in Plant Cellular and Molecular Biology - Proceedings. Dec 31, 2013. Progress in Plant Cellular and Molecular Biology: Proceedings of the VIIth International Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990. by H.J. Nijkamp. See more details below Formats and Editions of Progress in plant cellular and molecular. Progress in plant cellular and molecular biology: proceedings of the. Jun 29, 1990. and Cell Culture, Amsterdam, the Netherlands, 24 29 June 1990 by Proceedings of the VIIth International Congress on Plant Tissue and Progress in Plant Cellular and Molecular Biology - H J J Nijkamp. Jun 29, 1990. The proceedings of the VII International Congress on Plant Tissue and Cell and Cell Culture, Amsterdam, the Netherlands, 24-29 June 1990 proceedings of the VIIth International Congress on Plant Tissue Progress in plant cellular and molecular biology: proceedings of the VIIth. Congress on Plant Tissue and Cell Culture, Amsterdam, The Netherlands, 24-29 June 1990 /. Other Authors: International Congress on Plant Tissue and Cell Culture,
