Microsoft Executive Circle. by Conway, Susan D. Condition: Very The Think Factory: Managing Today's Most. - Fishpond.co.nz 20 May 2010. Although mostly unpriced, it is the most valuable stuff in the world. Homes, factories and offices are sucking up ever more. difficult to measure, difficult to price and often difficult to charge for, since many people think it should be free. If that is to be done, it will be done largely by managing demand.
